

GOOD FRIDAY TENEBRAE SERVICE

The distinguishing features of Tenebrae are the gradual extinguishing of candles and lights following the reading of Scripture passages until the room is in complete darkness. This service focuses on the passion and death of Jesus with hands-on family-friendly activities. If you would like to participate at home, please let us know and we will supply you with a worship bag.

Palm Sunday

Order of Service

Welcome

Call to Worship

We come to prepare for the holiest of weeks.

We will journey through praise, with joy on our lips;
we will travel through betrayal and death,
cradling hope deep in our hearts

**Jesus leads us through this week, and we will follow,
for he is the life we long for,
he is the Word who sustains us.**

We wave palm branches in anticipation,
we lay our love before him, to cushion his walk
**Setting aside all power, glory, and might, he comes:
modeling humility and obedience for all of us.**

Hosanna! Hosanna!

Blessed is the One who brings us
the kingdom of God.

SERMON OUTLINE:

The Things That Make for Peace – Luke 19:28-46

No more holding back; What does Jesus do on this first Palm Sunday to announce his identity?

What prophecies does embody with the untying of the donkey?

What is this entrance declaring?

What kind of kingdom is he inaugurating?

How do the people respond?

How do the pharisees respond?

What happens when Jesus sees the city?

Why such deep emotion?

How is Jerusalem just like all the other cities of the world?

What kind of Messiah were all the people expecting?

How did Jesus flip the mold?

How does all this help us enter Jesus' pain even more?

What does rejection of Jesus visitation entail?

Does Jesus still weep over cities like Helena today? Why or why not?

Why does Jesus grieve today?

We have changed the date to **Sunday, April 30th**
We will meet following the worship service. Headwaters will provide hamburgers and hotdogs for lunch.

The SPS (strategic planning session) will be a strategic presentation to your congregation about the partnership that Headwaters has entered into with Communio. The more people who attend the better as the SPS will be a great time for your congregation to hear about the strategic framework and processes that Communio uses to draw people into your church and create connection with those who are not yet associated with the local church. This information will allow each individual person to see how they have a part to play in the process. We will also be going over the data that we collected from the survey

that individuals took several weeks back as well as community data surrounding Headwaters so that your team can think through a strategic plan on how they can become more involved in building relationship with those who don't yet believe that God is Good and Loves them.
