Dear Oceanport and Sea Bright School District Community,

I am honored and excited to introduce myself as the new Superintendent of Schools for the Oceanport School District. I will begin on Monday, May 20th, and I am thrilled to embark on this journey alongside such a vibrant and dedicated community.

With over 30 years of experience in education, I bring a deep passion for fostering student success and a strong commitment to educational excellence. Throughout my career, I have had the privilege of serving in various roles, each of which has enriched my understanding of the diverse needs and aspirations of students, educators, and families.

On a personal note, I reside in Belmar, New Jersey, with my husband and two sons. Living in this beautiful area has provided me with a deep appreciation for the unique character and spirit of our local communities.

As your new Superintendent, I am deeply committed to working collaboratively with all stakeholders to ensure that every student in the Oceanport School District receives a high-quality education that prepares them for success in an ever-changing world. Together, we will uphold our shared values of academic excellence, equity, inclusivity, and community engagement. I look forward to getting to know each and every one of you over the next few months. Together, we will continue to inspire excellence and empower our students to achieve their fullest potential.

Sincerely,

Karen A. Barry, Ed.D.
