

## Floats & Hoes River Day

### Fire Safety Rules

- Fires are only permitted in a fixed, contained fire pit, charcoal grill, fire ring, or approved outdoor chimney.
- All fire pits must have a usable spark arrestor or screen when applicable.
- Fire containers may not exceed 3 feet in diameter (or 3 ft × 3 ft if square).
- Outdoor chimneys may not exceed 4 feet in height.
- Flames may not exceed the height of the chimney, or 3 feet if no chimney is used.
- All fires must be at least 10 feet away from tents, vehicles, structures, sidewalks, and property lines.
- Burning garbage, trash, plastics, or other prohibited materials is strictly forbidden.
- Never leave a fire unattended. Completely extinguish all fires before leaving your campsite.
- Anyone not following these fire safety rules may be asked to extinguish their fire immediately or leave the event.
