Scholarship, Grant, & Assistantship Resources

The following scholarships and grants are not endorsed by the MAET program in any way, they have just been curated to help students find potential funding avenues. For updated information on financial aid, grants, scholarships, and eligibility, we encourage you to contact [MSU's Office of Financial Aid](#). A special note from the Office of Financial Aid, "MSU does not endorse any scholarship service that charges a fee. Be wary of companies that guarantee results. No company can guarantee that you will get a scholarship."

If you need a letter of support or recommendation for any funding opportunity, please contact your advisor -- we would be happy to help you!
