Potential sponsors should kindly contact Mrs Jennifer Saint Acquaye, the Team Lead, Industrial and Sectorial Liaison (email: jstacquaye@wacci.ug.edu.gh or telephone: +233244363249).

The general public, philanthropists, goodwill ambassadors, and prospective partners are also invited to consider investing in the Centre through its **USD 50 Million Endowment Fund** launched by the Ken Ofori-Atta, Hon. Minister of Finance at WACCI's 10th Anniversary on June 7, 2017. A contribution of one million dollars by the Government of Ghana allowed the completion of the WACCI multi-purpose building in record time.

Your gracious contributions will play a vital role in bolstering our research and educational programs aimed at addressing food security challenges in West Africa and the wider sub-region.

We anticipate your benevolent participation in the anniversary celebration and are deeply grateful for any assistance you can provide.
