MaST III Parent Pick-Up Procedures

- PLEASE NOTE THIS IMPORTANT UPDATE. Starting on the first day of school, August 30, 2023, and effective for the 23/24 school year, **all siblings (Orange Placard) will be dismissed from Bay 2, and all single riders (Blue Placard) will dismiss from Bay 5**. Please refer to the maps below for a visual representation.
- Parent pick-up lot arrival begins at 2:55pm for 1st through 8th grade. **If you arrive before 2:55pm, you will be expected to leave the lot** with the exception of parents that pick up a Kindergarten student and need to wait for a sibling in 1st-8th grades as indicated by the provided placard.
- If you're picking your child up early for the day, early dismissals MUST occur before 1:30pm.**
- Teachers will be reaching out to all parents prior to the first day of school to request your child's daily means of dismissal (Bus, Carpool Pick-Up, Sibling Pick-Up, etc.). **If you do not connect with your child's teacher prior to the first day of school, send a note indicating how your child should be sent home on the first day of school.**
- When you receive the new placard, distribute it to anybody authorized to pick up your child, and have it ready and available to display during parent pickup on the next day and every day after. If picking up a group, you will need a separate placard for each child.**

- After you are assigned a color placard, you must always go to the lot that is assigned to that placard color even if adjustments are made to the amount of students you pick up.
- **When driving in the lot, you are expected to follow staff directions at all times to ensure a safe and efficient dismissal.**
- As a reminder, Kindergarten students may not enter the building any earlier than 8am. Any parents dropping off a Kindergarten student that is attending the paid BeforeCare program should park in the Visitor Parking Bay (Bay 1) and walk their child to the parent drop off entrance each morning. If you drop off a Kindergarten student, but have an older sibling, please park in Bay one while waiting for the arrival time for your child in Kindergarten.
- Please know that we will have many staff members supporting the children with dismissal at the beginning of the school year to ensure that all students are dismissed safely and as efficiently as possible.
- During the arrival/dismissal process, you are expected to remain in your vehicle at all times. Exiting your vehicle will slow down the arrival
- Finally, **pull as far forward as possible to the stop sign.**
- We appreciate all of your support!
