

Song: **SENTIMENTAL GENTLEMAN FROM GEORGIA**

Arranger: Ed Waesche

Rating: **YES: Lyrics**

REVIEWERS' NOTE

IN ADDITION TO the required lyrics changes pertaining to this song and listed in its [research document](#), this arrangement adds an intro containing the phrase "sweetest man *what am*." The "*what am*" must be omitted. It is an imitation of the phrase contained in [Alexander's Ragtime Band](#), which is inadmissible for a number of reasons, including the Black vernacular (such as "what am") in its lyrics.
