

Movie Notes for:

“Counterattack of Mechagodzilla” (1975)

1. Now I am live tweeting the Japanese version of "Terror of Mechagodzilla". It's a twofer!
You may pause as desired.
2. Starts with a drum and a splosion! Good start!
3. Credit scene from the last MechaG movie.
4. Squirting blood and all.
5. Credits end with MechaG defeated.
6. Sub looking for Space Titanium.
7. What is the girl doing on the rock?
8. Are they doing a visual search?
9. Why aren't they finding MechaG? Could it be that someone beat them to it?
10. Queue Titanosaurus.
11. Sub tossed about like a toy boat ... oh wait!
12. Toy holding toy. Eiji would not have stood for that.
13. Something fishy... get it?
14. It's a huge fish... no a dinosaur.
15. Sunglasses = space aliens.
16. Get their own bodies back...
17. Firebird!
18. Mafune is only in his 50s. He looks way older than that.
19. Do humans have the right to control animals?
20. It's haunted all right!
21. Sub sinker! Love struck all ready.
22. Suspicious.
23. Don't drink the Kool-Aid!
24. He was talking like a mad man!
25. Same aliens as last movie.
26. Composite shot.
27. Instead of acrobatics, why not just run?
28. Shooting in a circle, bad idea.
29. Interpol has quite the hair.
30. Is old man the driver? Was he the same as before? Why do they keep showing him?
31. Old man is a spy for pops.
32. I killed your mother, but I blame others for it.
33. Not sure who that is.

34. Silver jumpsuits with helmets with handlebars is not a good look for anyone.
35. She shouldn't have given him her home phone...
36. Drama...
37. He shot her with a laser pointer.
38. More drama from Katsura...
39. Couldn't they find an arc reactor? Talk to Tony Stark.
40. Cyborg cyborg!
41. Say vengeance and hatred like you mean it!
42. Roaring underwater. Is that possible?
43. She always twirls like a ballerina when shocked.
44. Interpol to the rescue!
45. They shoot like storm troopers.
46. Dinosaur Emergency Headquarters. Every country has one.
47. I am not saying it's aliens, but it's aliens.
48. Not sure who this girl is...
49. Manda always gets a bad wrap.
50. Good thing they had a Dinosaur Emergency Headquarters so they could call the military quickly.
51. Send in the F4s!
52. Super Geiger Counter! This movie has everything.
53. He has quite the jump shot.
54. Suddenly she has magic powers...
55. Titanosaurus is lost without control.
56. Boobies!
57. How long will it really take?
58. In his desire for vengeance, he has lost his daughter.
59. He is always getting captured.
60. MechaG has launched. Interpol is too late. Now they do not recognize that self destruct has been initiated.
61. They did save the slaves, so I guess it is good.
62. Although, they are still in the blast zone...
63. They must be speculating about being controlled by aliens.
64. Can anyone save us?
65. Kenny is so dead!
66. Godzilla to the rescue...lame.
67. Your wind weapon is no match for me.
68. This McGuffin will never be built in time. Or will it?
69. Lots of low angle shots to make them look bigger.
70. F4s. Just in time. Lots of just in times happening in this movie.
71. G was smoking.
72. Like burying G would have an effect.
73. Look the MacGuffin is ready just in time...
74. Meanwhile, our hero is just tied up with rope next to some sharp rocks.

75. No shocked ballerina move.
76. What do you mean Godzilla approaches? Open fire! All weapons.
77. All that, and you just got G POed.
78. Whole lotta fightin' going on.
79. Not an Ape man?
80. Interpol --- just. in. time.
81. Legend of sleepy hollow had a headless cyborg too right?
82. She is just all over the drama.
83. The atomic fire will finish off the Space Titanium.
84. G doesn't like flying saucers.
85. Nice fall by Titanosaurus.
86. And they live happily ever after ... oh wait.
