I like… ______________________________________________________________________________________

______________________________________________________________________________________________

I wish… ______________________________________________________________________________________

______________________________________________________________________________________________

What if… _____________________________________________________________________________________

______________________________________________________________________________________________
Creator's Reflection

1. What piece of feedback was most helpful to you? Why?

2. What piece of feedback surprised you the most? Why?

3. Based on feedback, what changes will you make to your innovation?
