

## **Full-time Elementary Behavioral Coach/Specialist (Preschool 2 – Grade 5)**

**Summary of the Position:** The Behavioral Coach/Specialist of PK-5 students is a new position. The main focus of this role would be to collaborate closely with parents, students, and counselors to promote positive behavior across the Elementary School.

We are looking for a happy, flexible, and energetic professional who is open-minded, passionate about and dedicated to education and learning, enjoys contributing to a collaborative team, is committed to personal excellence, and loves to work with children.

### **Preferred Qualifications and Experience:**

- A minimum of Bachelor's; Master's preferred
- Either a Teacher certification in Special Education; or certified (clinical or school) counselor, or school psychologist, or licensed or certified Behavioral specialist or analyst;
- Experience working with students with mild to severe learning needs and behavioral needs;
- Experience in administering assessments and screeners to evaluate student behavior
- Experience as an overseas educator in an international setting;
- Strong organizational and technology skills;
- Excellent oral and written communication skills;
- Outstanding human relations skills, including a positive attitude;

Preference will be given to applicants who in addition to the above requirements have experience as an elementary counselor/psychologist/special needs teacher in an international school setting.

Position available as of August 2024. Only candidates invited for an interview will be contacted.

Salary from EUR 1958 gross depends on previous work experience and acquired educational degree, comprehensive medical and accident insurance.

Place of work: International School of Latvia, Meistaru Street 2, Pinki, Babite County, LV-2107
