SCIENTIFIC PUBLICATION ETHICS CLEARANCE STATEMENT

In connection with the submission of scientific article to be published....., I hereby:

Name	
Affiliation	
Article title	
Email	

declare that this scientific article is the result of the work alone or with a team, which:

- the content is original or free from (a) fabrication, (b) falsification, (c) plagiarism, (d) duplication, (e) fragmentation/salami, and (f) copyright infringement of data/content;
- has not been published in any other publication.

Thus, I make this statement honestly and responsibly. If there is a copyright infringement later, then it is the responsibility of the author.
