SUBJECT : CALIFORNIA VOTERS! VOTE “NO” TO STOP THE RECALL ON SEPT 14TH

Dear –

Ballots are Available Now for All California Voters

On Sept 14th, California is holding a Recall Election. This unusual election will decide two questions: Should Democratic Governor Gavin Newsom be recalled (removed from office) and, IF he is removed, who should be the new governor?

VOTE “NO” ON THE RECALL!

We cannot let the Republicans take the governorship of the great state of California. And while California is a reliably Democratic state, polls are showing huge Republican enthusiasm and likely voters are now evenly split on the recall.

Ballots went out July 31st for all registered voters--you didn't need to send in a ballot request. If you haven't seen it yet, check your spam folder and secondary inboxes.

Fill out your ballot and send it back today! You can return your ballot by either Fax or Mail:

- *If you return your ballot by Fax:* It must be **Received by Sept 14, 2021, 8pm;** or
- *If you return your ballot by Mail:* It must be **Postmarked by Sept 14, 2021 AND Received by Sept 21, 2021**

**If you didn't get your ballot, you must send in your form to register to vote by AUGUST 30. Just go to www.votefromabroad.org and follow the prompts to fill out your form. Then follow the instructions to send in your signed form by Fax or Mail.*

NEED HELP?

This is an unusual election with a tricky ballot. You must vote “NO” to stop the Recall. But “No” voters should ALSO vote for one of the Democratic candidates in case Gov Newsom is recalled. For more information, including a copy of the ballot and detailed

information how to return your ballot by Fax, please click here:

Democratically yours,

Heidi Burch

Chair, Democrats Abroad GOTV Team

**Note: When you fill in your voter registration/ballot request form, be aware that selecting "I intend to return" rather than "my return is uncertain" may contribute towards establishing yourself as a tax resident in your voting state. Because the legal requirements to establish "residence" or "domicile" for tax purposes are determined by state law and the specific facts of your life, before you note that you intend to return on your form you may consider seeking advice on these matters from your tax professional.*
