What Can Morpheus Do For You?

- Tighten skin on your face and neck for a more youthful appearance without surgery.
- Reduce wrinkles around your mouth and eyes.
- Reduce the appearance of scars and stretch marks anywhere on your body.
- Treat excessive sweating
- Tighten pelvic floor muscles to reduce or eliminate urinary stress incontinence symptoms
- Relieve sexual dysfunction, tighten, and rejuvenate the female anatomy.

Restore your self-confidence and feel like yourself again.

How Does Morpheus Work?

- Strengthens pelvic floor muscles with gentle electrical stimulation
- Deep heating technology tightens and restores tissue from within.
- Advanced micro-needling gently improves skin texture and tone.
- Gentle muscle stimulation tones and firms muscles throughout the body.
- Quick, safe, and effective treatments done right in our office by our licensed medical professionals and overseen by Dr. Lowell Phipps, voted best of Denton County for over ten years running!
- Synergistic technology handpieces allow for customizable treatments tailored to your unique needs and goals.
