Happy Monday Lindbergh Flyers!

The first Parent Teacher Conferences for the year have come to a close. Thank you to Ms. Tiba for hosting the PTC dinner on Monday and The Berry Family (The Heights Meat Market & Grill) for hosting on Thursday! The Lindbergh PTA hosted on Wednesday (and provided drinks, snacks and dessert each day) - thank you to all of our PTA members for helping support our fabulous teachers and staff! A big thank you to all Lindbergh families for taking the time to meet with our Lindbergh teachers and showing your support.

We've started a Small Business Directory on the Lindbergh PTA website (https://www.lindberghpta.com/business-directory) to give a little advertising boost to local Lindbergh family businesses and help foster a greater sense of overall community support. If you would like to donate toward or host a staff lunch/dinner during the school year or if you have a small business you would like added to the directory, please reach out to us (ptacharleslindbergh@gmail.com).

Take a look at the 49th Annual Holiday Boutique website blog post for updated numbers (the most profitable boutique in the last 5 years!), special thank you messages to our Boutique Chair and new Co-Chair, Committee Chairs, Volunteers, Sponsors, Homeroom Parents, pictures and much more! We surpassed our cash raffle goal and the cash raffle raised over $8,000! Since we topped our goal, the PTA will not host any additional selling fundraisers. The cash raffle proceeds go to our PTA school activities, such as: Bingo for Books, Fall Fest, Spring Dance, Field Day, Fun Fair, teacher/staff appreciation, special treats for students, and other activities throughout the year. Thank you to our Lindbergh parents, staff and community members for helping us exceed our raffle goal for this year! Our awesome homeroom parents put together 23 fabulous baskets with a combined total value $16,093! Proceeds from the basket raffle go directly to our fantastic Lindbergh teachers. This year we are able to help fund each wonderful Lindbergh teacher's classroom with $470!

Here's a look at upcoming events:

- **11/23, 11/24 & 11/25: No School, Happy Thanksgiving!**
- **Monday, 12/5 – Wednesday, 12/7: Santa Shop** A special opportunity for students to purchase holiday gifts for their friends and family. Each item is moderately priced and the children are encouraged to choose gifts on their own. Keep an eye out for a flyer to be sent home soon! We could use some helpful elves, please see the SignUpGenius to volunteer for Santa Shop. Contact Sarah Neubauer and Katie Habhab (Santashop2022@gmail.com) with any questions.

Have a wonderful week, Flyers!
