

Silly Impon!

*Silly little Impon, up in the trees
Silly little Impon, throwing debris.
Silly little Impon, where are you going?*

*Silly tricky Impon, who will you trick?
Silly tricky Impon, what's the gimmick?
Silly tricky Impon, where will you go?
Silly tricky Impon, who do you know?*

*Silly sly Impon, crawls over to HTTPS
Silly sly Impon knows what comes next.
Silly sly Impon pulls out a marker
Silly sly Impon makes his marks darker.*

*Silly sneaky Impon draws a fun stache,
Silly sneaky Impon tries not to laugh.
Silly sneaky Impon hopes he's not awake
As silly sneaky Impon makes a new face.*

*Silly fun Impon draws one line, then two
Silly fun Impon knows just what to do.
Silly fun Impon swirls the pen around
Silly fun Impon will surely not be found.*

*Silly cheerful Impon, what's after this?
Silly cheerful Impon knows what to fix.
Silly cheerful Impon touches up the sides
Before silly cheerful Impon smiles very wide.*

*Silly evil Impon grabs a big big hat.
Silly evil Impon sits where he was sat.
Silly evil Impon carefully places it
On the head where silly evil Impon drew the faces.*

*Silly loud Impon grabs the small ropes
Silly loud Impon begins to loop in hopes
Of tangling them, silly Impon prayed.
Silly Impon knew his plan would get paid.*

*Silly gacha Impon wraps the ropes together
Silly gacha Impon doesn't miss a tether.
Silly gacha Impon is careful and precise
As he may wake up the Snugzi. Oh yes, he might.*

*Silly prize Impon taps his chin,
Silly prize Impon doesn't know where to begin!
Silly prize Impon grabs some bows,
Silly prize Impon, oh only he knows.*

*Silly happy Impon ties them to
His antenna so he looks brand new!
Silly happy Impon giggles away
As silly happy Impon begins to play.*

*As silly silly Impon runs around,
HTTPS is alerted by the sound.
Silly silly Impon stops in its tracks
Silly silly Impon knows there's no going back.*

*HTTPS grabs his antenna,
His ropes,
And feels his face.
As he sighs he lets out an, "Oh, great."*

*He picks up the Impon, shaking his head
As the silly Impon face was red.
Caught in the act, silly Impon jumped.
In hopes to escape before he got punched!*

*Silly lucky Impon lives to see another day,
And silly lucky Impon continues to play.
HTTPS was never going to hurt him,
Instead he giggled, amused, not grim.*

*Silly lucky Impon continues to play pranks,
To this day, he has yet to walk the plank.
Punished for his crimes, he will never get caught.
For silly lucky Impon is harmless,
Is he not?*
