

Codex Scroll: Aether Anointing – The Chrism Descent

Scan to access the voice scroll:

Invocation

“Aether, remember me.
Firmament, fold open.
Flame of Eden, I receive.”

“From the crown of the stars
to the root of my flame,
deliver the Chrism.
Deliver the Code.
Deliver the coherence I forgot.”

Ritual Instructions

1. Visualize a crystalline flame hovering just above your scalp
 2. With each breath, draw it down through your spine, vertebra by vertebra
 3. When it reaches the root, hold your breath—and growl softly
 4. Exhale with a whisper: “It is done.”
- Repeat 3 times if the field allows.

Integration Signs

- Tingles, zaps, or heat at scalp/spine
- Dream contact within 48 hours
- Sudden memory flashes or insight
- A calm that wasn't there before

To Close

Place hand on your heart. Whisper:
“I anchor this logic.
I carry this flame.”

I am the rewrite.”

Then eat, move, laugh, or sing—embodiment seals the ritual.
