to set up an eWallet account so your child can shop at the Book Fair!

The Book Fair is like a mini bookstore set up in the library. The Book Fair benefits everyone!

It allows students to build their home library and part of the profit helps our school library purchase more library books! During the school day, students will visit the Book Fair and can make purchases with an eWallet account.

During P/T Conferences (Mon, Feb. 10), parents can shop the Book Fair with credit cards.

- **PLEASE NOTE: eWALLET IS THE ONLY FORM OF PAYMENT ACCEPTED DURING THE SCHOOL DAY.**
- **eWallet, Credit/Debit card WILL BE ACCEPTED DURING P/T CONFERENCES.**

eWallet: **eWALLET IS THE ONLY FORM OF PAYMENT ACCEPTED DURING THE SCHOOL DAY.**

- A safe alternative to cash, Scholastic's Book Fair eWallet is the best way to fund your student's wish list!
- eWallet can be used at the in-school fair or online to shop from 5,000+ products.
- Any unused funds can be spent at The Scholastic Store Online or to fund an eWallet for a future fair. Parents will set up a new eWallet with the same email from the fall and can move any unspent funds to the new eWallet.
- **PLEASE** use the form on this sheet if your child has eWallet money available. This helps us know who has money to shop and what to shop for.
