If there is no name in the left-hand box, it means that I don't have anyone for those spots. Please contact me if you've got a friend or can do it yourself. Wado! Also, if you're driving out to Spanish Banks on Sunday, please consider offering someone a ride! And bring tasty-delicious crunchings and munchings.

WiFi Access

How to access Free WiFi in Vancouver.

Here is a crazy big map that has way more information on it than you will ever need:

<https://vancouver.ca/your-government/vanwifi.aspx>

Most coffeeshops in the Commercial Drive and Main Street areas will have free WiFi.

At the Britannia site/greenroom you can access the City of Vancouver WiFi Network:

Network: #VanWiFi

Password: There is no password but you do need to click a little terms and conditions box before you can browse.

Also, anytime you're near a Vancouver school, you can pop onto the visitor network there:

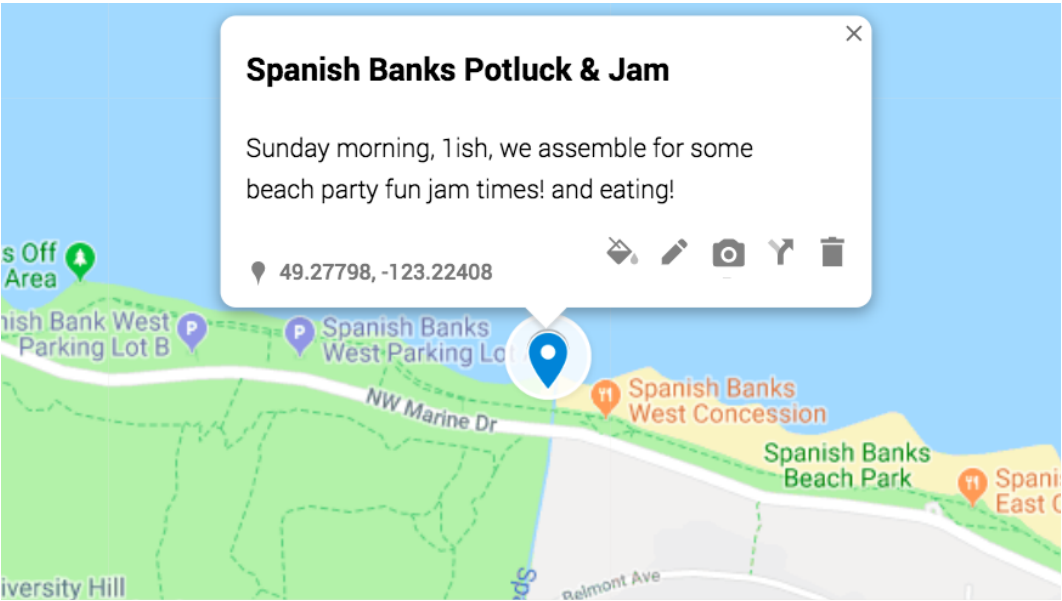

Network: VSB Visitor

Password: BackToSchool

You will also have to agree to the terms and conditions thingy.

Food for Performers

- Friday

Hearty snacks and late night-type fare & refreshments at Red Gate.
- Saturday

Breakie | 11-3 Snacks and Refreshments in the green room/AML a.k.a Senior’s Lounge at Britannia Community Center.
Lunch | Each band will receive a/some divine gift certificate/s from local eateries. The method of determining who gets what is extremely esoteric and is so mired in the liminal space between ethers that even I have not been trusted with the details of this strange and amazing magic.
Dinner | 7-9 at the Legion. I believe Belle is putting on a taco bar.
- Sunday

Potluck & Jam at Spanish Banks. Bring anything. Chips, salsa, pie, chips & salsa pie....

Merchandise

We will have a merch table up Friday & Saturday nights as well as during the day at Grandview Park. If you’d like to add merch to the tables, please contact me (Brenda) to make arrangements.

Official Honk! BC merch will be available AND we have some “vintage” stuff to sell off as well.

Each band contact will receive a ticket for each band member. Then, allegedly, they will give each of their bandmates 1 ticket. The bandmate can then go to the merch table and exchange their ticket for 1 hand-printed all cotton Honk! BC 2019 t-shirt.
