

OPTIONAL STEPS TO CREATE A MIRO ACCOUNT

You do not need to create a Miro account if you use the Miro Classroom link to participate as a guest. However, if you'd like to create your own account (and remove the Log in/Sign up banner from your screen) you can follow these quick steps:

Miro Step 1:

- Visit the your Miro Classroom board
- Click the Sign up button at the top of your screen

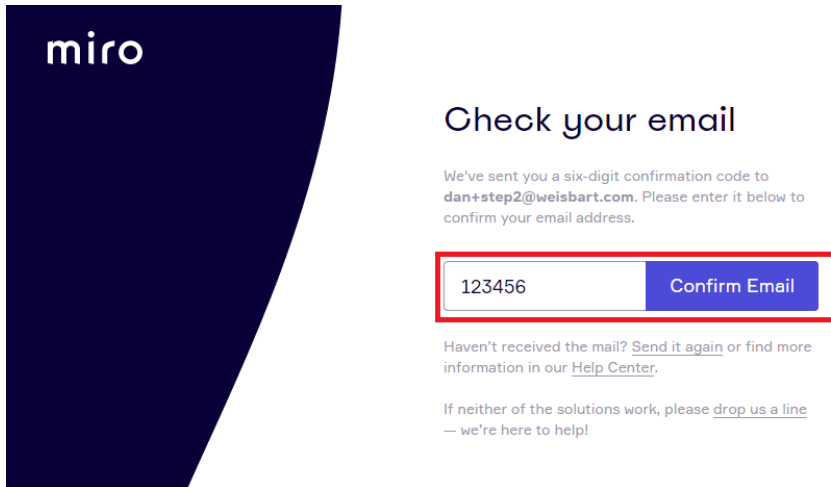

Miro Step 2:

- Fill in your First and Last name
- Enter your email address
- Select your own password - **you will need this again to log in to your new account during the course**
- Check "I agree..." and click "Get started now"

A screenshot of the Miro sign-up form. On the left is a dark blue vertical bar with the "miro" logo in white. On the right, the text "Get started free today" is displayed, followed by "No credit card required" in smaller text. Below this are three input fields: "First Last" with a person icon, "YourWorkEmail@email.com" with an envelope icon, and a password field with a lock icon and a strength indicator. Below the password field, it says "Good password" in orange. There is a checkbox labeled "I agree to Miro Terms and Privacy Policy." and a blue button labeled "Get started now". A "Sign in" button is located in the top right corner.

Miro Step 3:

- Check your email for a confirmation number
- Enter the number in the confirmation field in Miro
- Click "Confirm Email"

The screenshot shows the Miro 'Check your email' confirmation screen. On the left is a dark blue sidebar with the Miro logo. The main content area has a white background. At the top, it says 'Check your email'. Below that, a message states: 'We've sent you a six-digit confirmation code to **dan+step2@weisbart.com**. Please enter it below to confirm your email address.' There is a text input field containing '123456' and a blue 'Confirm Email' button. Below the input field, there are two links: 'Haven't received the mail? [Send it again](#) or find more information in our [Help Center](#).' and 'If neither of the solutions work, please [drop us a line](#) — we're here to help!'.

Check your email

We've sent you a six-digit confirmation code to **dan+step2@weisbart.com**. Please enter it below to confirm your email address.

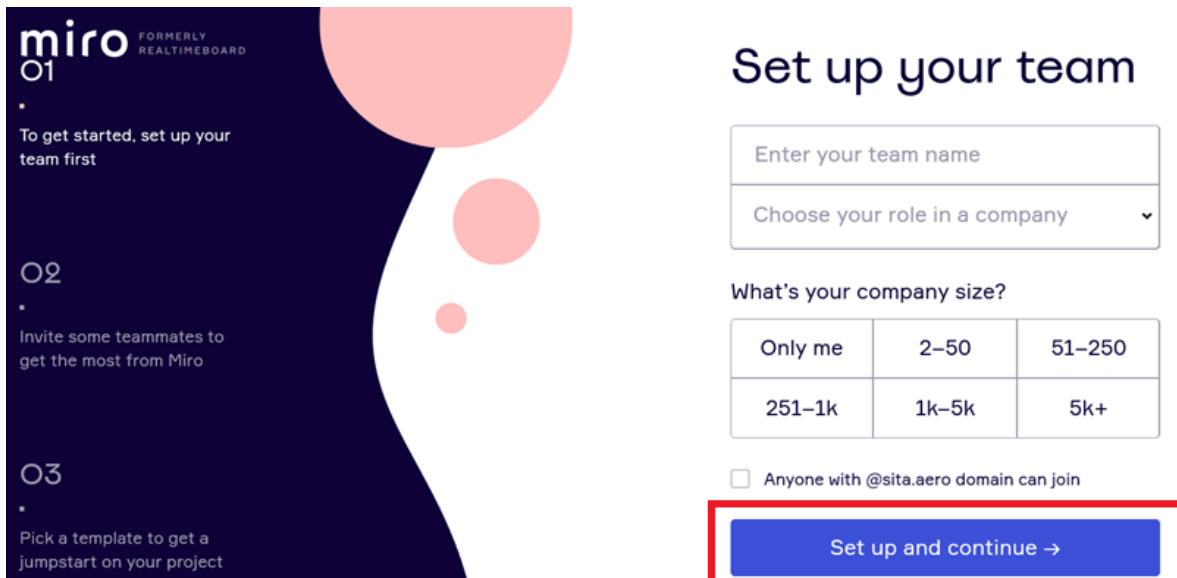

123456 **Confirm Email**

Haven't received the mail? [Send it again](#) or find more information in our [Help Center](#).

If neither of the solutions work, please [drop us a line](#) — we're here to help!

Miro Step 4:

- Feel free to leave all these fields blank and simply click "Set up and continue"

The screenshot shows the Miro 'Set up your team' onboarding screen. On the left is a dark blue sidebar with the Miro logo and three numbered steps: '01 To get started, set up your team first', '02 Invite some teammates to get the most from Miro', and '03 Pick a template to get a jumpstart on your project'. The main content area has a white background. At the top, it says 'Set up your team'. Below that, there are two input fields: 'Enter your team name' and 'Choose your role in a company'. Below these is a section titled 'What's your company size?' with a table of options. At the bottom, there is a checkbox labeled 'Anyone with @sita.aero domain can join' and a blue 'Set up and continue →' button.

Set up your team

Enter your team name

Choose your role in a company ▼

What's your company size?

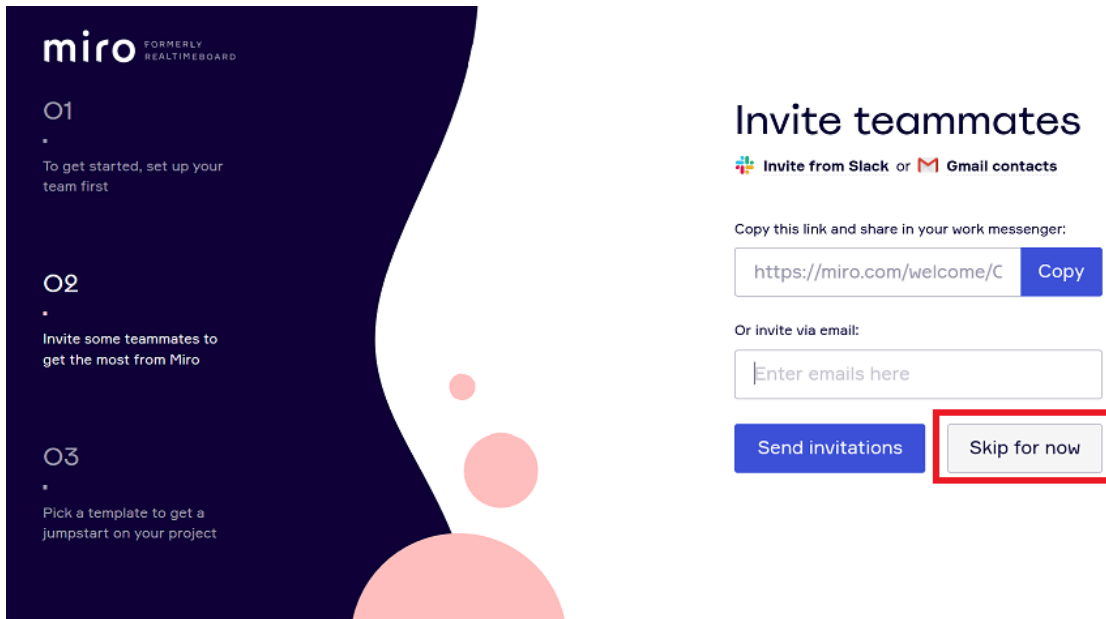

Only me	2–50	51–250
251–1k	1k–5k	5k+

☐ Anyone with @sita.aero domain can join

Set up and continue →

Miro Step 5:

- Please leave these fields blank and simply click “Skip for now”

The screenshot shows the Miro onboarding interface. On the left, a dark blue sidebar contains three steps: O1 (To get started, set up your team first), O2 (Invite some teammates to get the most from Miro), and O3 (Pick a template to get a jumpstart on your project). The main area is white and titled 'Invite teammates'. It offers options to 'Invite from Slack or Gmail contacts', a link to copy and share ('https://miro.com/welcome/C'), and an email invitation field. At the bottom, there are two buttons: 'Send invitations' and 'Skip for now', with the latter highlighted by a red rectangle.
