

Influences & Resources

The Radical Podcast is a free, fair use educational project. We explore metaphysical ideas and concepts using a mix of sources - books, articles, other podcasts, and personal insights - but we don't pause to cite everything formally as we speak. Our goal is to share knowledge in an open, flowing, and accessible way. With that said, we gratefully acknowledge the following influences and resources that have shaped our understanding of metaphysics. In addition to the Rider-Waite-Smith Tarot deck, we use the below mentioned Tarot decks in the "Card Comparison" segment of the podcast. We use the below mentioned Tarot and Oracle decks in the "Messages from the Universe" segment of the podcast.
