Note: Begin by listing the lead author of the proposal, then continue by listing any additional authors participating in the proposal,

Proposal Abstract

[Insert an abstract of up to 300 words explaining your proposal. Please include the main objectives, the proposed immersive learning experience explanation and justification, the type of technology considered (AR, VR, or MR), and the methodologies and procedures to be followed for the development of the pedagogical architecture and design. Make sure to justify its necessity to be developed and how it would benefit students in higher education at Tecnológico de Monterrey]
