

WELCOME TO THE AAHAD APPS

Privacy Policy

About us

Aahad Apps built the Ads Supported apps. This service is provided by Aahad Apps free of cost. This page is used to inform visitors regarding our policies with the collection, use, and disclosure of personal information if anyone decided to use our service. If you choose to use our service, then you agree to the collection and use of information in relation to this policy. Aahad Apps Mission only collects very basic information from all our users and it does not include any private information. The information we gather is only for improving your experience and giving you better versions of our features. This information will not save on any server and neither be given or sold to anyone.

Permissions and information

We use these permissions for the improvement of features of this app. No general information is collected from users. No specific information is collected by any user and the case is the same for all the users.

Personal Information

We DO NOT collect, store or use any personal information while you visit, download or upgrade our products.

Access to Smartphone Features

We may request users to allow us access to different features of their cell phones. For example camera, Wi-Fi and GPS location exclusively for the reasons for lining up with the features of our services and products and furthermore to build productivity and give a good user experience.

Children

We do not use the Application to knowingly solicit data from or market to children under the age of 13. If a parent or guardian becomes aware that his or her child has provided us with information without their consent, he or she should contact us at ahadapps777@gmail.com. We will delete such information from our files within a reasonable time.

What are my opt-out rights

You can stop all collection of information by the Application easily by uninstalling the Application. You may use the standard uninstall processes as may be available as part of your mobile device or via the mobile application marketplace or network.
