

Hi all,

Quick reminder of our **meeting tonight.. Monday 2/23, 6pm – 7pm.**

(This note and our other meetings notes, and more, is on your PCO page: <https://www.okanogandemocrats.org/pcos>)

### Agenda for tonight

- I'd like to clarify our overall goal, which I understand is **getting those who support Dem candidates out to vote**. As Beth has put it, get Friendlies to the polls and not enflame and motivate Republicans to vote
- We will talk **Votebuilder and what kind of info is available to you**
  - I'll remind you that you can have your own VB account
- We'll **go over the attached sheet** and answer any questions
- We'll talk about **future meetings**
  - I'd like to propose we go for a 2<sup>nd</sup> and 4<sup>th</sup> Monday evening model going forward, with smaller groups at different times for
    - Training
    - Venting
    - Saunas (haha, just kidding) (but why not?!)
- We'll talk about the **broad outline** sketched out below

- 
- If we have time, we'll brainstorm **what data you want** that would be helpful in understanding your people, e.g.
    - Demographics
    - Economic info
    - History
    - What else?

## Broad Outline

1. In Feb, we talk about **data** and information you need to move ahead
2. In March, we talk about **goals**, with help from Beth and her calculations about what is needed in each precinct to make a difference
3. Later in March, we talk **strategy and make concrete plans** for future activities, including possible partnerships (Dirt Road Organizing, Common Ground, etc.) (you can share yr thoughts on the Planning Doc on PCOs page)
4. In April, we turn outward and **turn our county blue!**

Missing: how we record, collect, and **add information we gather in the field into Votebuilder**.  
This is very important piece. More on that soon.

I'm probably forgetting other stuff, but you will help get it all together.

Sound good?

See you soon!

Terry
