Jeri Glyn Studios: Strategic Creative Direction & Marketing Execution

With over 25 years of experience spanning hospitality design, operations, and marketing, Jeri Glyn Studios bridges the gap between high-level brand strategy and immersive creative delivery. We don't just build brands; we build self-sustaining ecosystems that drive traffic, elevate engagement, and generate revenue.

Featured Service: Proprietary Interactive Intelligence Briefings

We offer a high-impact, proprietary newsletter management service designed for leaders who need to cut through the digital noise.

- **Deliverability Optimized:** We bypass security firewalls by hosting interactive, hyperlinked PDF briefings on your website, ensuring content lands directly in primary inboxes.
- **Multi-Channel Anchor:** Each issue serves as the hub for a broader engine, fueling your social media and digital content strategy for the entire month.
- **SEO & Lead Generation:** By hosting evergreen content on your domain, we boost search visibility and drive direct traffic.
- **Revenue Focused:** Every briefing is designed with sponsorship potential and clear calls to action, transforming your thought leadership into a passive revenue stream.

Core Capabilities

Strategic Marketing & Brand Growth

- **Strategic Planning:** Comprehensive growth initiatives tailored to your long-term objectives.
- **Digital Presence:** End-to-end platform management, community engagement, and website optimization.
- **Performance Analysis:** Data-driven tracking of KPIs to ensure continuous improvement.

Creative Production & Content

- **Creative Direction:** Guiding the visual and narrative identity of your brand.
- **Visual Storytelling:** Professional photography, video production, and unique hand-illustrated content.

Print & Design Assets

- **Collateral & Ad Design:** Custom development for postcards, menus, posters, and professional publication advertisements.

Events, Activations & Leadership

- **Production & Planning:** End-to-end management for tradeshow and brand activations.
- **Professional Speaking:** Expert delivery for industry presentations, moderating, and keynote engagements.
