

Privacy Policy for Chapterly

Effective Date: 1st September 2025

At Chapterly, we are committed to protecting your privacy. This Privacy Policy explains how we collect, use, and protect your information when you use our application.

1. Information We Collect

Chapterly does not store any personal data on our servers. However, the application may sync certain data with iCloud, which is governed by Apple's privacy policies. The data synced with iCloud may include:

- Book details
- Chapter notes
- Character information
- Vocabulary entries

2. Data Syncing

iCloud Sync: Chapterly uses iCloud to keep your library, notes, and progress updated across all your devices. By enabling iCloud sync, you agree to the collection and storage of data by Apple in accordance with their privacy policies.

3. Use of Your Information

- **Personalization:** Data synced with iCloud ensures a seamless and personalized reading experience.
- **User Support:** Information may be used to provide customer support and respond to inquiries related to your account or app usage.

4. Data Security

Chapterly does not store or access your data directly. Any information synced with iCloud is protected by Apple's security measures, including data encryption, to keep your information safe.

5. Changes to This Privacy Policy

We may update this Privacy Policy from time to time. Any changes will be posted within the application. Your continued use of Chapterly after updates indicates your acceptance of the revised Privacy Policy.
