TIME CAPSULE

In 2032, the students of our schools should know that 10 years ago …

- **What's popular at the moment?**
  (movies, music, video games, books, TV, applications, electronic devices, clothes, hair styles …)

- **What's special about this specific period of time?**
  What do people cherish more than any other time before?

- **Think of an item that specifically relates to your culture!**

- **Think of an item that specifically relates to your school!**

- **Think of some documentation on your daily life that you could put in the time capsule!** (diary entry, school reports, essays, poems, timetables …)

- **Why did you join the Erasmus+ project? How is it for you?**
