

NEWSLETTER

Friday 6th June 2025

Dear Parents and Carers,

I mentioned communication a few weeks ago in my newsletter and have continued to reflect on it. It has come to our attention that some of our email and letter correspondence has not reached all the intended people. For example, KS2 parents should have received an updated swimming letter, but some did not.

We will be checking our distribution lists, but we also ask that parents and carers check that our email address (office@cheselbourne.dorset.sch.uk) is saved in their contacts. This helps ensure that our messages go directly to your inbox rather than your spam folders.

Please do read our communications. They are sent for the benefit of your children. Sometimes they include consent forms, often they contain useful information, and most of the time they involve something special for your children.

Key dates are always listed towards the end of this newsletter, and important information is shared both here and, where necessary again via email.

We have several trips and opportunities coming up. We try to stagger our communication so that it doesn't become overwhelming or get lost.

As always, if you're ever unsure about anything or think you may have missed something, please don't hesitate to ask. We'd much rather have a quick conversation than risk anyone feeling out of the loop.

Kind regards,

Mr C Perry - Mr C. Perry (Headteacher)
