

**Subject:** Discovery Link Registration for 2025–2026 Opens April 29 at 6:00 AM

Dear DPS Families,

We are excited to share that **registration for the 2025–2026 Discovery Link school year opens at 6:00 AM on Monday, April 29** at <https://dps.arux.app!>

As you prepare, please make sure your family's Arux account is set up and ready ahead of time. You can create your family profile at any time before registration opens. Once you're in, you'll be able to select the days your child will attend. Just a reminder: if a selected day ends up not aligning with the school calendar and a camp is not offered, **Arux will automatically remove that day from your child's schedule.** We will share site calendars in Arux once they have been finalized at the school level.

This year, we're offering **three types of program payment structures:**

**1. Fee-Based Programs** – standard tuition-based Discovery Link sites. ○

Registration Cost \$55.00 with a max of \$80 for multiple children

| PM Discovery Link                     | \$18.00         |
|---------------------------------------|-----------------|
| AM Discovery Link                     | \$12.00         |
| Early Release Discovery Link          | \$30.00         |
| School Year Camp Days: Discovery Link | \$55.00         |
| Kadoodles DL                          | \$30.00         |
| AM Enrichment                         | Varies per site |

**2. Access Plus Schools** – discounted tuition rates based on each school's Free and Reduced Lunch (FRL) percentage (specific sites are listed on the next page). ○

Registration Cost is waived

| 90% - 100%  | \$3.00 |
|-------------|--------|
| 87% - 89.9% | \$5.00 |
| 85% - 86.9% | \$8.00 |

|             |         |
|-------------|---------|
| 80% - 84.9% | \$9.00  |
| 75% - 79.9% | \$10.00 |

3. **Grant-Funded Sites** – funded through the Colorado Department of Education’s (CDE) 21st Century\* and CO-AAP\*\* grants and offered at **no cost to families**.

We know navigating changes can come with questions. We appreciate all of the feedback you’ve shared during town halls, emails, and phone calls. As a result, we are exploring a shift to **quarterly invoicing after attendance** (rather than upfront payments like those used for Summer 2025) for the 2025–2026 school year. This change would offer families greater flexibility. The only cost due at Registration will be the Registration Fee if your child is attending a Fee based school. We’ll share more detailed updates regarding invoicing soon.

**Please also have the following ready for registration, especially if your child is in ECE:**

- Immunization Records
- Health Appraisal Forms - ECE Required
- Copy of Authorization to upload regarding CCCAP (if applicable)
- Any helpful information to share regarding allergies, medication, IEP/504 needs and supports

*\*Not having records or forms uploaded at time of registration may delay approval*

We’re committed to making this transition to Arux smooth and beneficial for families. Please note that **contracts will be manually reviewed and sent to each site** after submission, so turnaround may be slower than with our previous system. This allows us to provide more accurate information and support. If additional information is needed, **a member of the Family Support Communications (FSC) team may reach out** directly.

Our Family Support team will be available to support with registration questions daily Monday - Friday from 8am - 4:30pm via phone or email (720-423-1781 or [discovery\\_link@dpsk12.org](mailto:discovery_link@dpsk12.org)). We are honored to serve your family and look forward to another great year of high quality programming and connection!

**Estimadas familias de DPS:**

¡Nos complace compartir que la inscripción para el año escolar 2025–2026 de Discovery Link abre a las **6:00 a.m. del lunes 29 de abril** en <https://dps.arux.app>!

Pueden crear su perfil familiar en cualquier momento antes del 29 de abril. Una vez dentro, podrán seleccionar los días en los que su hijo(a) asistirá. Como recordatorio: si seleccionan un día que no coincide con el calendario escolar y no se ofrece campamento ese día, **Arux lo eliminará automáticamente del calendario de su estudiante**. Compartiremos los calendarios específicos por escuela en Arux una vez que sean finalizados a nivel escolar.

Este año ofrecemos **tres tipos de estructuras de pago para el programa**:

- **Programas con tarifa regular – sitios Discovery Link con matrícula estándar.** ○

## Extended Learning and Community Schools

- **Sitios Financiados por Subvención** – financiados por el Departamento de Educación de Colorado (CDE) a través de las subvenciones 21st Century\* y CO-AAP\*\*, ofrecidos **sin costo para las familias**.

Sabemos que navegar por estos cambios puede generar preguntas. Agradecemos todos los comentarios que nos han compartido a través de las reuniones comunitarias, correos electrónicos y llamadas. Como resultado, estamos considerando cambiar a un sistema de **facturación trimestral después de la asistencia** (en lugar de pagos anticipados como en el verano de 2025) para el año escolar 2025–2026. **Esto brindaría mayor flexibilidad a las familias.** El único costo requerido al momento de la inscripción será la **tarifa de inscripción** si su hijo(a) asiste a una escuela con tarifa regular. Compartiremos más detalles próximamente.

Por favor, tengan lo siguiente listo para la inscripción, especialmente si su hijo(a) está en ECE:

- Registros de vacunación
- Formularios de evaluación de salud – Requeridos para ECE
- Copia de autorización para subir si usa CCCAP (si corresponde)
- Información útil sobre alergias, medicamentos, planes IEP/504, u otros apoyos necesarios

*\*Si no sube estos documentos al momento de la inscripción puede retrasar la aprobación.*

Nos comprometemos a que esta transición a Arux sea lo más fácil y beneficiosa posible para las familias. Tengan en cuenta que los contratos serán revisados manualmente y luego compartidos con cada sitio después de su envío, por lo que el proceso tomará más tiempo que con el sistema anterior. Esto nos permite brindar información más precisa y apoyo personalizado. Si se requiere información adicional, es posible que un miembro del equipo de Comunicaciones de Apoyo Familiar (FSC) se comunique directamente con usted.

Nuestro equipo de Apoyo Familiar estará disponible de lunes a viernes de 8:00 a.m. a 4:30 p.m. para responder preguntas relacionadas con la inscripción por teléfono o correo electrónico: **720-423-1781** o **discovery\_link@dpsk12.org**. ¡Es un honor servir a su familia y esperamos otro gran año lleno de programación de alta calidad y conexión!

**Recordatorio: Estas son las escuelas disponibles para Discovery Link en el año escolar 25–26:**(Los sitios con % FRL calificarán para tarifas con descuento)
