

We expect to have:

1400x600 Facebook share image

1024x512 image for twitter share

512x512 logo

1024x1024 logo

vector logo

24x24 favicon

A few last minute checks

- Do we have the social sharing title, image, and description?
 - If we do not, we will make our best guess
- The site title and description - this will appear at the top of all tabs / windows that have your site open.
-
