

Mattawan High School

Class of 2026 Yearbook Information

Senior Portraits

DUE December 8, 2025

Senior photos must be uploaded directly to our yearbook program hjeshare.com by choosing **UPLOAD A PORTRAIT**.

School code is mcats

([How to upload a portrait](#))

Senior portraits must be a VERTICAL headshot (preferred), but hands and/or upper body may be visible if desired. No props, hats that obscure the face, or distracting backgrounds, please!

Portraits must be of professional quality, at least 300 DPI, and 500 KB or larger. We **CANNOT** accept screenshots, proofs, links to photographer's websites or portraits with the photographer's logo. Anything deemed inappropriate or anything that is not of professional quality will not be used.

Tips:

- Be sure that you are the central focus of the photo. While having a beautiful scene behind you is fun, it is not ideal for the yearbook.
- Be sure that your photo is not too dark. Sunset pictures are beautiful for your Instagram account but they don't work for the book.
- Nothing should be obstructing your face. You should be facing forward or at a slight angle. Not backward or profiled.
- Photos must be in color.
