Assalamu'alaikum Wr. Wb. Hi! I think you already know my name from the title, but I'll introduce myself once again.

My name is Muhammad Naufal Afif Pratama, you can call me Naufal. I'm from the english education program at the faculty of teacher training and education. I was born in Lumajang, September 9, 2003. I'm 19 years old. I like watching movies, especially Hollywood movies and then reviewed movies that i've watched on Letterboxd.

My favorite movie is La La Land (2016). This movie is so perfect. I recommend La La Land (2016) to all of you. I also impersonate actor from movies because it makes me to discover my identity through the characters in the movie i've watched.

My favorite actor is Ryan Gosling (He's literally me). To be honest, I have an identity crisis. From watching western movies, I like english-related matters. In vocational high school, I participated in various English language competitions.
