

Implementation & Sustainability

The **purpose** of the Iowa Early Childhood-Positive Behavioral Intervention and Supports (EC-PBIS) State Leadership Team (SLT) Implementation & Sustainability workgroup is....

- **Create awareness** of the EC-PBIS Framework with potential program implementation sites throughout Iowa.
- **Develop a system of supports** based on implementation science to assist program sites in implementation of the EC-PBIS Framework. Including:
 - Exploration process
 - Program Wide EC-PBIS cohort process
 - Model classroom process
 - Resource development to support implementation (i.e. leadership team calendar)
- **Promote bidirectional feedback** with Implementation & Demonstration sites.
