

Computer Weekly Innovation Awards APAC 2025

NOMINATION FORM

Overview

The Awards are open to all **end-user organisations** in the following countries/territories: Australia, New Zealand, India, Taiwan, Hong Kong, as well as all ASEAN member states including Singapore, Malaysia, Brunei, Indonesia, Malaysia, Philippines, Thailand and Vietnam.

Eligible organisations can choose to participate in six award categories: Financial Services, Healthcare, Manufacturing, Public Sector, Transportation & Logistics and Telecommunications.

Only 2024 projects will be considered, and at least a critical portion of the entire project has been implemented.

All entries will be assessed by an independent panel of judges based on the following criteria:

- Business impact and value, including but not limited to productivity improvements, revenue growth and cost reduction
- Innovation in solving a business problem
- Change management in terms of securing stakeholder buy-in and promoting adoption

All eligible organisations are required to submit their nomination forms by **7 February 2025** via e-mail: apacinnovationawards@techtargget.com

Computer Weekly reserves the right to reject nominations without prior notice and without providing a reason.
