Q: How many times do I need to participate to score 100?	A: 15

Q: How many days is the grade based upon?	A: 5 days of discussion (We may not have discussion every day.)
Q: If I raise my hand to go to the bathroom, does that count?	A: No
Q: Can I earn participation points individually?	A: Yes, during Enrichment, between classes, or whenever we have time. Bring up a topic!

Here's a secret:

I don't always use this rubric strictly. I may actually give you a higher grade than the rubric (...but never lower). If you show initiative in starting a conversation, I may do this.
