SJ: I stared down at the humiliation I had just paid for...
My confidence,

SHATTERED.

I had to try a new nail salon as I had been invited to a day out

Before I had found the perfect salon,

Every appointment at the current one I WAS at, was rushed. Every time I walked out of that place,

I knew it wasn't going to be better than any of the other visits.

Months of restoring my confidence, was **DESTROYED** in the matter of a rushed, 10 minute appointment.

I was transported back to the dreadful times of my past,

My nightmare had come back to me.

.

I could only look at the rushed pair of nails that couldn't contrast any more to the Gorgeous pair I had in mind

I was humiliated,

But two things I could take away from this are:

- 1: never blindly visit another salon
- 2: Always have my nails done, To be prepared for any occasion

Once the day was over, I visited THE NAIL BOUTIQUE the next day to get them taken off.
My confidence was restored.
my smile was restored.

And I have THE NAIL BOUTIQUE to thank for that.
