

When Will You Be Mine

Hand in hand, the two of us,
Smiling and laughing, like children in a park,
You borrow my gloves, I borrow your scarf.
Oh, oh when will you be mine?

I am sorry, I apologise,
You talk, you sing when I am around,
I say nothing, don't utter a sound.
Oh, oh when will you be mine?

Oh, oh when you look at me,
Oh, oh when you're next to me,
I get tongue tied unintentionally, you see
Oh, oh when will you be mine?

SOLO

Oh, oh when you look at me,
Oh, oh when you're next to me,
I get tongue tied unintentionally, you see
Oh, oh when will you be mine?
Oh, oh when will you be mine?
Oh, oh when will you be mine?
