CORE CLASSES

Math	Reading/Writing
<p>Students have been working on 2-digit adding/subtracting with regrouping and are currently working with 3-digit numbers!</p> <p>Students can always practice 1-digit addition and subtraction facts using flash cards. You and your student can create math problems for each other to solve! Can you stump your 2nd grader?</p>	<p>Students are reading <u>Disaster Alert!</u> - a non-fiction book about different natural disasters (tornadoes, floods, sinkholes, volcanoes, and bushfires). Our next reading will be <u>Danger! Earthquakes!</u>.</p> <p>In writing, students will be writing informative texts using facts found in their reading and in their own research.</p>
Homework Practice	Foundations
<ul style="list-style-type: none"> ● Addition and Subtraction fluency ● Read, READ, READ!! ● Tying shoes ● Bring your headphones to school. 	<p>We are working on sounds, tapping out sounds and blending them back together in our reading and writing. Students are working on vowel teams:</p> <p>-ai and ay -ee, ea, and ey -oi and oy</p>
