Breakout Class Options

- PRAYER: Am I praying the right way?
 - Prayer can feel confusing, but it's really just talking with God. In this session, we'll look at what Jesus taught about prayer and how to make it real, honest, and powerful in your everyday life.
- BIBLE: How to make the Bible come alive.
 - The Bible isn't just an old book—it's God's Word meant to speak to you today. Learn practical ways to read Scripture so it becomes personal, understandable, and life-changing.

- SEXUAL INTEGRITY (Girls): How far can I go?
 - In a world that blurs the lines, we'll talk about what God says about purity, boundaries, and finding your worth in Him.
- SEXUAL INTEGRITY (Guys): How far can I go?
 - Let's get real about temptation, self-control, and what it means to honor God and others with your thoughts, actions, and relationships.
- CHURCH DIFFERENCES: Are we enemies?
 - Why are there so many different churches—and does that mean we're divided? We'll unpack what unites believers and how to love other Christians even when we disagree.
- SPORTS: If I miss a lot of church because of sports, does that make me a bad Christian?
 - Sports can teach teamwork and discipline—but can also pull us away from God. We'll talk about how to keep your priorities straight and let your faith show on and off the field.
- WORSHIP: Is it just singing songs?
 - Worship is more than just singing, but singing is one of the most powerful ways we express our love for God. In this session, we'll talk about what it really means to worship through music and how our songs can reflect hearts fully devoted to Him.
- LINGER ROOM: Come reflect, pray, journal, read, and rest in God's presence.
