Abstract Submission Guidelines for The 69th NIBB Conferece

- 1. The deadline for submissions is <u>September 30th, 2025</u>. They are emailed to us at <u>nibbconf@nibb.ac.jp</u>. We will compile all abstracts into a digital booklet without any of them being modified.
- 2. All abstract submissions must be provided on one A4 page with 25.4 mm (1 inch) margins on each side. We recommend that you use the abstract template provided on the next page. The abstract page should include title, authors, affiliations, email address, pictures and the abstract itself.
- 3. Use "<u>Times New Roman</u>" font, and use "<u>Symbol</u>" font for any scientific symbols or Greek letters (alpha, beta, gamma, etc.).
- 4. Titles must <u>use a 14-point font size</u>, <u>be bolded</u>, <u>contain the Initial Letters of Each Word in CAPITALS</u>, <u>be single spaced</u>, <u>centered and also be followed by one blank line</u>.
- 5. Author lists must <u>use a 12-point font size</u>, <u>be single spaced</u>, <u>centered and be followed by one blank line</u>. <u>Underline your presenter's name</u> in the list of authors. Use commas and superscript numbers to delineate each name.
- 6. Affiliations with cities and countries must <u>use a 12-point font size</u>, <u>be single spaced</u>, <u>centered and be followed by one blank line</u>. Use semi-colons and superscript numbers to delineate each institution.
- 7. Presenter's email address lists must use a 12-point font size.
- 8. Text should be <u>12-point</u>, <u>single spaced</u>, <u>be in single column format</u>, <u>and contain single line spacing</u>. Indent the first line of each paragraph.
- 9. Provide an individual photo that clearly shows your face in your abstract. Authors' photos will be the purpose of making it easier to identify each other during and after the workshop.

Identification of Key Genes for Growth Regulation in Plants

Kiyoshi Tatematsu^{1,2} and Masayuki Miura^{2,3}
