PERSONALITY

Bobby came into my life as a puppy and is now a little over 2 years old. He is always smiling and excited to meet anyone who crosses his path. Bobby's favourite pastime is hanging out with friends at the local dog park. He is fully potty trained, has gone through basic obedience school and has regular check-ups at the vet. Bobby is an important part of the family and will be a perfect tenant and neighbour.

ABOUT THE OWNER

I have been a responsible dog owner and renter for many years. I work in a dog-friendly office so Bobby is able to join me during the day. When we get home, we go on a walk and retire for a quiet evening. My neighbours have all fallen in love with Bobby and I'm sure you will too!
