

EasyBib

Link to the Resource	http://www.easybib.com/
Description	“This handy tool takes all the un-fun parts of writing a research paper and demystifies them, making it less intimidating for students to find and cite the best sources”. Common Sense Education
Primary Transferable Skill(s)	Self-direction
Grade Level(s)	6-8 9-12
Tutorial(s)	http://www.easybib.com/help/intro
Sample Projects, Rubrics, Videos, etc.	Asking students to create annotated bibliographies encourages analysis of the material, rather than simply citing it correctly. Nice lesson from Common Sense Education using EasyBib and several other tools listed in this Digital Backpack
Cost	free
Operating System and Browser Note(s)
