PLACEMENT TESTING SCHEDULE

Placement Testing at Brightpoint

Placement tests help determine the right English and math courses for you. Before testing, be sure to complete your **Brightpoint College application** at least **48 hours in advance**.

Who Needs to Take a Placement Test?

You may need to test if:

- You did **not meet admission requirements** through direct placement.
- You're taking the **Accuplacer ESL test**.
- You need an **Ability-to-Benefit** test for financial aid.
- You want to **test out of precalculus** using the VPT Calculus exam.

Talk to a Brightpoint Advisor Before Testing

We recommend meeting with:

- A **New Student Navigator** in the Help Hub
- The **Dean of Students Office** (for high school or home-schooled students)
- The **Veterans Office** (if using military benefits)

Cost and Requirements

- Free — There's no fee for placement testing.
- Photo ID required
- Bring your Brightpoint student ID number (EMPLID)
 - Don't have it? Contact Admissions & Records for help.

Scheduling Your Test

- **Appointments are recommended**, but walk-ins may be accepted if space allows.
- Tests are **not timed**, but each can take **3–4 hours**, so consider taking English and math tests on **different days**.
- To schedule:
 - Use **RegisterBlast** or
 - Email us at: **testing@brightpoint.edu**
