

**Department of Computer Science**  
**Quiz Contest on “Programming in C”**

## **REPORT**

Department of Computer Science conducted quiz contest on Programming in C on 3<sup>rd</sup> and 4<sup>th</sup> Jan 2020. Initiative was taken by II MSCs students.

It has three levels.

**First Level:** Written test

No. of participants: 200 students

Selected first level: 72 students

**Second Level:** Oral quiz

No. of participants: 72 students=6 students\* 12 teams

Selected top 3 teams after three phases:  $6\text{students} * 3\text{teams}=18$  students

**Third Level: Coding Competition**

No. of participants:  $18\text{ students}=3\text{ students} * 6\text{ teams}$

Selected top 2 teams:  $3\text{ students} * 2\text{teams}=6\text{ students}$

Winner First team was given pen drives and the second team was given with certificate holder files.
