Fair Grove R-X School District

Dear Parent/Guardian:

We are excited for the return of all students and have been preparing diligently for the upcoming school year.

This year you will again be registering your student(s) online directly through Lumen.

If you complete this online registration in full for your student(s) prior to August 2nd you DO NOT have to attend returning student registration on Thursday, August 2nd *(we can hear you cheering)*. If you need to utilize a computer to complete the online registration at school, we will be in the Middle School Commons from 10am-7pm on August 2nd to help you with that online process.

You received an email today from the school with your student's login information in case you need it (the teacher name and grade on this form is your student's 2017-2018 information… the 2018-2019 info will be online).
Due to Lumen formatting, this online registration must be done at a computer (not on a phone).
