

Demeanor Song Lyrics

I'm Feeling On Your Baba Treesha

Shorty Said She Like My Demeanor

And She Look Like A Eater

I'm Off The Perky Geekin

I'm Feeling On Your Baba Treesha

Shorty Said She Like My Demeanor

And She Look Like A Eater

I'm Off The Perky Geekin

Wait Wait Oh Wait Ooh Ooh

Fish Bowl Send Shots

Bend Blocks In The Back

Earthquakes And Selling Cracks

All My Niggas Into That

You Send A Shot We Send It Back

All Facts No Cap

Put My Hat To The Back

100000 In The Bag

\$11 An Hour Ain't Enough To Live

So I'ma Go In Every Store And

I'ma Swipe This Shit They Try To Lock A Nigga Up

And I'm Like Fuck A Bid Cause Either Way

Mommy Still Gon' Love Her Kid

I Just Took 20 From The City
They Like Who Is You
A Lot Of Niggas Talking Sh*T That
They Don't Really Do
I'm Bout To Turn My Air Force
Ones Into A Gucci Shoe
I'm About To Turn My Timberlands
Into A Yeezy Boot
My President Black Bandana Is Blue
Yeah I'm Dripping Got Me Glistening Like
I Came Out The Pool I'm So Exotic Like
I Came Out The Zoo But I Shot Out The Coupe
I Got A Scope With A Clear Eye View Woo
I'm Feeling On Your Baba Treesha
Shorty Said She Like My Demeanor
And She Look Like A Eater
I'm Off The Perky Geekin
I'm Feeling On Your Baba Treesha
Shorty Said She Like My Demeanor
And She Look Like A Eater
I'm Off The Perky Geekin
Wait Wait Oh Wait
My Demeanor Is Meaner
Than Yours Ooh Oohh

Female Alpha And I Practice What
I Preach I Devour Tell Me Can You Take
The Heat You Can Touch With Your Eyes Only
I Know You Like What You See
That Je Ne Sais Quoi Energy
Baby Get On Your Knees
You Can't Say Pop Without Smoke
So Fill Up Your Lungs
My Diamonds Will Make Ya Choke
You Like The Way
I Move My Demeanor Is Meaner
Than Yours So Clap For The Encore
You Can't Say Pop Without Smoke
So Fill Up Your Lungs My Diamonds
Will Make Ya Choke
You Like The Way
I Move My Demeanor Is Meaner
Than Yours So Clap For The Encore
I'm Feeling On Your Baba Treesha
Shorty Said She Like My Demeanor
And She Look Like A Eater
I'm Off The Perky Geekin
I'm Feeling On Your Baba Treesha
Shorty Said She Like My Demeanor

And She Look Like A Eater

I'm Off The Perky Geekin

Wait Wait Oh Wait

My Demeanor Is Meaner

Than Yours Oooh Ooohh
