5. This Document

5.1 Code Of Ethics is the highest documentary power in The Foundation

5.2 No one is exempted from the Code Of Ethics

5.3 Code Of Ethics could be modified any time by 05 Council members

5.4 Nothing should be [REDACTED] in the Code Of Ethics and therefore should not have any unredacted versions

6. Exemptions

6.1 Every CoE rule may be exempted by at least $\frac{3}{5}$ of the 05 council

6.2 Class-D and Class-F personnel maximum punishment for any rule except category 1 and 2 is termination

7. Testing Authorization

7.1 Testing outside of permission or without approval as a Scientific Department member is prohibited.

7.2 Additional Authorization may be given by any personnel Access lv.5 and higher.

RECOMMENDED ACTION

Offence Number	Action
First Offence	Class-D (10-15 days), no demotion
Second Offence	Class-D (30 days)

8. General Authorization

8.1 Authorization is a written or spoken “allowance” to do something, that can be proven by a paragraph in any document or by a written notice.

8.2 Authorization may be given automatically (When conditions are met, and the conditions are stated in a document that authorized that particular action) or manually, that requires a verbal or a written notice.

8.3 Verbal manual authorization may only be given, if a probability of that authorization exists in a document.

8.4 Manual authorization may only be given by high command that **has the same permission that they authorize.**

8.5 Authorization violations are to be handled case by case.

9. Threat, Violence and Harm

9.1 No civil personnel lower Class-A are allowed to bear weapons

9.2 No civil personnel lower Class-A are allowed to harm other personnel

9.3 Termination of personnel can be performed only by combative personnel and civil personnel of Class-A in following cases:

Personnel is directly threatening other personnel, other personnel safety or Facilities operations.
Disrupts Facilities operations by grieving/misbehaving.
Is a Personnel Member that has met Termination Criteria (refer to [SCP | slt-047 | Termination Criteria](#))

9.4 No SCP subject can be harmed/terminated without proper authorisation. Attempts to do so also count

9.5 Breakage of glasses/doors/other Facility property is prohibited without a security reason

9.6 Arrest of personnel can be performed only by combative personnel and civil personnel of Class-B+ in following cases:

Personnel is ignoring verbal warnings
Personnel is suspected to be Class-F personnel and there are no ISA Agents in sight/on site

10. Criminal Unacknowledgment

10.1 Not knowing does not free from punishment

10.2 Not acknowledging documents that can be accessed by you is punishable.

10.3 If a violation of 10.2 has lead to a security risk/disruption of Facilities operations/personnel endangerment the punishment must be held out harsher

11. Subordination and Workplace Communications

11.1 Militarized personnel must communicate in short formal consecutive phrases

11.2 When passing information to militarized personnel, any personnel should speak in formal language, passing the information in a most fast and effective manner

11.3 When speaking to personnel with a higher Access Clearance, show utmost respect

12. Direct Orders

12.1 Direct order is an act of a personnel member that has authority of an other personnel member making them do a certain action.

12.2 Ignoring Direct Orders is prohibited
