

Green Valley After School Enrichment Program

Code of Conduct

The success of the After School Enrichment (ASE) Program depends on the cooperation of students, parents, and program vendors. To ensure that students get the most out of the ASE, we are asking all participants and their parents to abide by the following Code of Conduct:

- Parents will contact the ASE instructor if their child will miss class;
- Parents will pick up their child in front of the school within 5 minutes of the class dismissal time. If a child will be going to Kids Country or Right at School after class, parents will notify the ASE instructor;
- Students will not eat or drink in the classroom during class (except for water bottles);
- Students will respect the classroom space by cleaning up messes and leaving the classroom in the condition they found it at the beginning of the ASE class;
- Students will not erase any items from the classroom whiteboards, open classroom classroom cabinets, use classroom supplies, or use the teacher's desk; and
- Students will demonstrate the same respect for ASE instructors and ASE classmates that is expected during regular instruction at Green Valley Elementary;

Failure to abide by the Code of Conduct may lead to your child being asked to leave the ASE program and prohibited from enrolling in ASE in the future. If your child is asked to leave the ASE program, NO REFUNDS will be provided.

If you have any issues or other concerns, please contact parent ASE coordinators Jeena Jiampetti (jjiampetti@gmail.com) and Leslie Keane (leslie@leslieharriskeane.com)
