Author(s) Biography

Educational backgrounds, affiliations, research interests and other relevant experiences

(100-150 words)

Acknowledgements

Please acknowledge individuals, institutions, or organizations that contributed to your research. It is important to thank those who supported the study through funding, access to research facilities, logistical assistance, or meaningful advice that helped improve the

manuscript. If this work was previously presented at a seminar or conference, you may also mention the forum and its details in this section.

Declaration on the Use of Artificial Intelligence

The authors declare whether artificial intelligence (AI) tools were used in the preparation of this manuscript. Where applicable, large language models (LLMs) such as ChatGPT were used solely for language editing and grammatical improvement. All ideas, interpretations, data analyses, and conclusions presented in this manuscript were developed independently by the authors. The authors assume full responsibility for the accuracy, integrity, and originality of the entire content of this work.
