## Code of Practice For Parents And Guardians

As the parent or guardian of a member of the Priory Tennis Club, you are expected to abide by the following code of practice.

- Encourage your child to learn the rules of tennis and play with them.
- Discourage unfair play and arguing with officials.
- Help your child to recognise good performance, not just results.
- Never force your child to take part in sport.
- Set a good example by recognising fair play and applauding the good performances of all.
- Never punish or belittle a child for losing or making mistakes.
- Publicly accept judgements made by officials.
- Support your child's involvement and help them to enjoy the sport.
- Use correct and proper language at all times.
- Allow your child to play in the Mini Tennis colour league that is appropriate to them. This will ensure that they enjoy playing the game, develop their skills and gain confidence.
- Purchase balls and rackets that match the stage that your child is at.
- Be patient, steady progression is unusual in children, peaks and plateaus are common.
- Your first question following any match, should be "did you enjoy it?" not "did you win?"
- At no stage should you communicate with your child or interfere with the on court helpers or officials during a match. Just enjoy the game and let the officials take care of the rules!
