Out of Zone Enrolments

Each year the board will determine the number of places which are likely to be available in the following year for the enrolment of students who live outside the home zone. The board will publish this information by notice in a daily or community newspaper circulating in the area served by the school. The notice will indicate how applications are to be made and will specify a date by which all applications must be received.

Applications for enrolment will be processed in the following order of priority:

First Priority will be given to students who have been accepted for enrolment in the following special programme(s) run by the school and approved by the Secretary for Education.**

Second Priority will be given to applicants who are siblings of current students.

Third Priority will be given to applicants who are siblings of former students.

Fourth Priority will be given to any applicant who is a child of a former student of the school.

Fifth Priority will be given to any applicant who is either a child of an employee of the board of the school or a child of a member of the board of the school.

Sixth Priority will be given to all other applicants.

Parents will be informed of the date of any ballot by notice in a daily or community newspaper circulating in the area served by the school.
